Secretary Becky McQuain

Board Member Lainie Cooney

### **Business**

Treasurer's Report – Checking \$2871.79; pay pal \$685.81; cash \$180 = \$3737.60

#### **New business/upcoming events:**

The same situation continues with COVID in regards to safety with our members and community. Floor open to club members to what they want to see. Many members expressed the desire to continue club activities in a safe manner and that we should keep it to club members only. This will decrease our numbers and allow for little POA participation or need for oversight. Consensus is to move forward with the planned calendar of events and know that it can change depending on COVID and the POA.

We will move forward with the Heart & Sole 5K/10K in February and it will be led by Maria and Matt. Karin will work on the flyer. Maria will email Becky the information for the 5K/10K;

**Becky will then email out members and potential members to promote the members only event and reminding them of 2021 membership.**

**Maria will continue to send out emails for non-club sanctioned workouts.**

**Idea was proposed to hose structured swim workouts such as “master swims.”**

**Idea was proposed to host a bike maintenance course.**

**Lainie is willing to use her USAT membership to get the club insurance. Maria will email her the information.**

**Next club meeting on February 10- location TBD Mark’s vs Eastport (Mark will let Maria know)  
745 pm Meeting Adjourned**
