### Business

**Treasurer's Report – We have \$2,873.39 in our checking account, plus \$993.52 in PayPal and \$140 cash, totaling \$4,006.92.**

**Trailer Assessment and Repair – Matt and Mark cleaned, inventoried and organized the trailer and it is now road worthy. Purchases included two tires and new locks for all doors and the hitch, as well as 3 sets of keys for the storage gate and locks. The trailer still needs to be registered. Matt will go to the DMV and get it registered. Possibility of registering as non-operable if cost is a lot more for regular registration. The trailer lots also need to be replaced. Possible future purchases include 1 more swim buoy and 2 more folding 6' tables.**

**Club members are encouraged to donate race stickers to decorate the trailer. Every time you participate in a race, buy a sticker and write your name and date with a sharpie so we can show where we've been.**

**Race Signs – we also purchased new directional signs for races, which have worked out well. In the larger cones, the signs spin, so Mark will get some wedges to keep the signs from spinning.**

**Super Sprint Family Tri – This is scheduled for Saturday, July 17<sup>th</sup> at Indian Beach. The race will follow the same routes as previous years. The Adult race starts at 8:00 am and consists of a swim to the first buoy, ride 6 miles to East Gate, and run 1.5 miles to Comanche. The kids follow a short course, swimming around the swim area, biking to Comanche, and running about half way to Comanche. Maria will map the course and e-mail to members. We have RSVP's from the Kivrizis and Gray families, Karin, Christian and son and Ernie. It will be Ernie's first tri! Volunteers include Alex, Mike La Hood and Mark Yegsigian.**

**Paddle & Pedal Regatta – This event will be held on August 14<sup>th</sup> at Indian Beach and is open to the community. It is open to all non-motorized watercraft (paddleboards, kayaks, canoes, pedal boats, etc.) as well as open water swimmers, starting at 10:00. Following a group photo, we will head to East port launch ramp and back to Indian beach. Following the group paddle, there will be an Adult and Kids paddleboard race, a BBQ (\$5 donation) and raffle. If members wish to donate items for the raffle, contact Karin: [karin@impactprom.com](mailto:karin@impactprom.com). Proceeds will be donated to charity – contact Karin with any suggestions for charity, Charity will be announced by 7/23. We would like it to be local and any fitness tie in would be ideal. Matt and Mark will help set up, Mark will do drone photos and Maria will do photos as well. Karin will put up gate banners and post to Friday Flyer and local group pages. Contact Karin if you can volunteer to assist with set up, clean up, waivers, BBQ or the raffle.**

**70.3 Race – This event is scheduled for 8/21. Given the distance, it will be important for us to get RSVP's as soon as possible. We discussed whether this should be a full 70.3 race vs. a group training and determined that we should promote it as a training event, with relays encouraged to boost participation. Since gate access may be an issue, we will contact the POA to see if they can allow rider participants to enter easily. Jim will send possible bike routes to Maria.**

**Tri Suits – a design was selected and Karin will work with Voler to get the ordering site active.**

**Meeting adjourned: 7:58 pm.**
