New Business:

Maria is communicating with Dawn from the Friday Flyer to cover and promote our events.

Maria has forms for POA for 2022 meeting locations. Majority prefers to continue meetings at a member's house rather than using a POA room. We will table the discussion for next month's meeting for what the 2022 calendar will look like. Maria will send out an email to get a feel for what events the members want to do next year.

Becky will be stepping down from the Board as Secretary at the end of the year. The club will be sending out an email asking for volunteers to fill this position starting January 1, 2022. The member will fulfill the remainder of the term (1 year).

Club Gear – We had 24 orders and will take 2-4 weeks of production. Karin continues to be lead on this project.

At the next meeting we will discuss races for members to sign up for in 2022 as a group. Becky brought up the idea of Cal Tri events as they offer 5 southern CA races and do a-la-

carte (5K, swim/run, aquabike, and sprint through half distance triathlons). They also have discounts when you sign up for more than one race in their series. And they offer a “volunteer one, get one” program. Lainie will look into Cal Tri and present it at the next meeting.

Upcoming events:

Sprint Triathlon – Saturday, September 18 at 7am at Wendy and Paul’s house. We will use the same course as the previous sprint event in June. The swim will be 750m off of Wendy and Paul’s dock, a 1 loop 12 mile bike course around the community, and 5K out and back run. Karin and Lainie will help with course set up and snacks/water. Maria will send out an email for RSVP and to ask for 2 volunteers/paddle-boarders in the water and 1 volunteer on the bike course.

October Event – October 16 at the Lodge 7:30am 5K/10K Monster Dash

November Event – Turkey Trot 5K/kids 1K for the community on Thanksgiving Day.

December Holiday Party – December 16 or 19 TBD. Lainie has volunteered to have it at her house.
